It's summertime in the Finger Lakes and after much, much rain, the sun is shining and the weather is warm! We know it's been a LONG time since you've heard from us, and for good reason. We've been hard at work upgrading the winery. After months of construction, we've now upgraded the electric in the entire winery barn, added a handicap accessible bathroom, and upgraded our kitchenette area.

Thus we are finally ready to start taking private tasting appointments again where we walk you through five or six wine samples and pair each one with different foods. Remember, these appointments are free for wine club members (\$12 per person otherwise). Also, after several years of working through the bureaucracy, we meet with the Planning Board on July 23 to finalize opening our tasting room to the public. In the meantime, we will tentatively hold open tasting room hours on Saturdays from 11am to 4pm. We hope you stop in and visit us!

**Save the Date!** This year's summer festival will be held on Saturday, August 3<sup>rd</sup> from 2pm to 6pm. The festival includes live music, all you can eat appetizers, free tastings, and wines for sale by the glass and bottle. Please RSVP by July 30<sup>th</sup>! We look forward to seeing you!
